Comforting dishes with olives that taste like fall to succeed in your business

Fall begins and as we change our closet at this time of year, we must also change our diet. With the arrival of the cold, the body asks for hot and rich dishes... Have an Olive day wants to help you prepare a refreshing menu for your restaurant and that you inaugurate the season with three insurmountable recipes.

(xxxx oct. 2019) Fall is the season where we reconcile with food through comforting dishes such as soups or stews. Seasonal changes are accompanied by changes in diet and the body begins to think of more hearty and hot dishes.

New eating habits where European olives have much to say thanks to its culinary versatility and nutritional benefits. A healthy product, natural source of vitamin E and antioxidant that offer a range of gastronomic possibilities through countless culinary formats (whole olives, sliced, pitted ...) and varieties (Manzanilla, Queen, stuffed with Pepper...).

European olive **does not stop reinventing itself to adapt to the demands of the new kitchen and the modern life** of a more demanding consumer and has become one of the most coveted foods in the North American market.

Including this basic ingredient of the influential Mediterranean Diet in the new menu of your business will instantly increase the attractiveness of your dishes in a simple, colorful and tasty way as these three-irresistible fall-flavored recipes show.
