HAVE AN OLIVE DAY
WITH OLIVES FROM SPAIN

Olives from Spain, presents Mediterranean alternatives for Valentine's dinner

Every February, couples have the opportunity to relive their most romantic side thanks to the celebrations on the 14th day of the month. Buy a gift that shows affection or make a special dinner, are some of the ways to make Valentine's Day the most romantic day of the year.

(Feb. 2018) February 14th has been a day dedicated to love and lovers for centuries. Many bet on the perfumes, ties or accessories to give to their loved ones on such a marked date. The best accompaniment for these gifts is in the kitchen. Olives from Spain has created an elaborate a romantic menu that's full of surprises. With these new recipes, olives have much to contribute to the romantic day.

Olives from Spain's goal was to create a menu full of color and flavor, something that seduced the senses and is, in itself, a Valentine's gift, with olives as the key ingredient. Olives are a product with thousands of years of history behind it, which brings to the tables of Americans the possibility of making simple but spectacular dishes, full of flavor and personality. Olives make an easy tribute to love in the form of a gastronomic feast without needing to have great knowledge in the kitchen.

With Olives from Spain have developed a completely jaw dropping menu. On their website www.haveanoliveday.eu cooks looking to impress will find what is necessary to be confident in the kitchen. You can make the menu starting with an appetizer full of flavor, followed by a delicious salad that we will do in a moment, continue with a spectacular lamb dish and surprise them with some incredible lollipops, which will be the cherry on top to our Valentine's Day menu.
